This term sheet contains a proposal for discussion purposes only and (unless otherwise stated) is indicative only. BNP Paribas gives no assurance that any Certificate will be issued or any transaction will be entered into on the basis of these indicative terms. The information contained in this document is provided to you on a strictly confidential basis and you agree that it may not be distributed by you to other parties or potential purchasers of Certificates other than with our prior written consent and in compliance with applicable securities laws and regulations in force in the jurisdiction(s) in which you offer the Securities described in this document. If you have received a copy of this document from anyone other than BNP Paribas, it will not contain all the information required for you to assess its contents. This document is not intended for

any Retail Client, as defined in Directive 2004/39/EC ("MiFID") and the relevant implementing measures in any EU member state.

No action has been or will be taken in any jurisdiction that would, or is intended to, permit a public offering of the Certificates. The Certificates are sold to investors on the understanding that they will comply with all relevant securities laws and public offer requirements in the jurisdictions in which the Certificates are placed or resold, including, without limitation, Directive 2003/71/EC (the EU Prospectus Directive) as amended (which includes the amendments made by Directive 2010/73/EU the "2010 PD Amending Directive") and the relevant implementing measures in any EU member state. Where the investor of the Certificates is not the only purchaser of the Certificates, any public offer exemption relying solely on offers only being made to a restricted number of investors (classified by type or location, as applicable) may not be available.

The Certificates may not be offered or sold in the United States or to U.S. persons at any time (as defined in regulation S under the U.S. Securities Act of 1933 or the U.S. internal revenue code). The Certificates have not been and will not be registered under the U.S. Securities Act of 1933, as amended, or the securities laws of any state in the United States, and are subject to U.S. tax requirements. The Certificates may not be offered, sold, transferred or delivered without compliance with all applicable securities laws and regulations.

Investors should note that BNP Paribas acting as Guarantor is licensed as a credit institution in France and as such is subject to the new resolution regime introduced by the EU Bank Recovery and Resolution Directive of 15 May 2014. This new regulation, among others, gives resolution authorities the power to amend the key terms of the Guarantee, to reduce the amounts payable by the Guarantor under the terms of the Guarantee (including a reduction to zero) and convert the amounts due under the Guarantee into shares or other securities. You may not be able to recover all or even part of the amount due under the Certificates (if any) from the Guarantor under the Guarantee or you may receive a different security issued by the Guarantor (or another person) in place of the amount (if any) due to you under the Certificates by the Issuer, which may be worth significantly less than the amount due to you under the Certificates at expiry.

This protection applies to 15% of the nominal value of the Securities only and provided you hold your Securities until maturity.
