**2. Right of disposal** includes all of the privileges that define the type of transactions the Mandate Holder may perform on the specified accounts, as well as the channels<sup>1</sup> through which and the method with which such transactions can be performed. The right of disposal can refer to the authorisation to initiate financial and non-financial transactions or only non-financial transactions. A limit linked to the transaction amount can be given in the account currency. In the case of a conversion, the limit indicated in the account currency is calculated based on the Bank's FX I mid-rate valid on the day of the debit transaction.

#### 2.1 Available transactions (details are contained in Section III. Services)
