**Dear clients,**

In order to ensure that our customer service points can operate without waiting times, we are only able to receive customers who arrive with a pre-booked appointment at all of our branches.

For smooth administration, we kindly ask you to schedule your visit in advance. **Appointments can be easily booked online at [idopontfoglalas.kh.hu](http://idopontfoglalas.kh.hu)**, and our colleagues are also happy to help you with the booking if needed.

In cases requiring urgent action (account closure, complaint handling, stolen lost or blocked cash substitute payment instrument (e.g. bank card), fraud-related transactions), matters can be handled at the branch without making an appointment.

Kind regards  
K&H Bank
