

Disclosure according to Pillar 3

Risk Report

K&H Banking Group and
K&H Bank Zrt.

For the Third Quarter of 2020 Financial Year

K&H committed itself to conform to the requirements of Pillar 3 defined in Chapter 8 of 575/2013/EU Regulation of the European Parliament, of the Council (CRR) and in Article 122 of the Hpt.¹ and the 13/2017 (XI.30) recommendation of the Hungarian National Bank. K&H prepares this “Risk Report” for such purposes, containing the information required by law. In line with its general communications policy, K&H is trying to communicate its market risk exposures as openly as possible.

K&H publishes its “Risk Report” five times a year (only once for the full year), simultaneously with the disclosure of the “Annual Report” and makes it also accessible in Hungary (and in English) on the K&H corporate website (www.kh.hu). As the K&H Bank Zrt. is a systemically important institution on the Hungarian market, the bank also publishes half-yearly and quarterly reports in a simplified form.

Neither the temporary measures determined in Article 468 of CRR nor the ones laid down in Article 473a of CRR are used by K&H. Meaning that the bank’s own funds, CET1 capital, total capital ratio and the leverage ratio already properly reflect all unrealised gains and losses measured at fair value through other comprehensive income, and the full impact of IFRS 9 ECL calculation.
